To Whom it May Concern,

The Rotary Leadership Institute (RLI) is an international nonprofit organization that has an affiliation with the Rotary International District 6990 and its 48 clubs. RLI has had the opportunity and pleasure of partnering with Keiser University on several occasions.

RLI provides training to Rotarians in our community at least twice a year. Keiser University and its supporting staff have graciously hosted several of these events with incredible success.

We find your Miami-Dade campus to be an excellent venue for our day long sessions. They are immaculately clean, easily accessible, and well supported by Carmen Perez, your Director of Student Services.

Keiser University has been and hopefully, will continue to be, a valuable partner for our Rotarians as we continue efforts in strengthening and building a higher level of service. As Director of RLI for the period of 2019-2023, I want to extend our appreciation for the support and efforts of the Keiser community.... it is a blessing to have this partnership with you!

Sincerely,

Lee Phares, RLI Director
