Subject: Letter of Recommendation

To Whom It May Concern,

I am extremely delighted to recommend to you the exemplary quality in education at Keiser University. United Clinical Laboratory is the nation's premier specialty diagnostic laboratory located in West Palm Beach Florida. United Clinical Laboratory houses the latest technology in automation which results in speed and accuracy to satisfy our client's needs. At United Clinical Laboratory we have prided ourselves on unifying laboratory needs, streamline internal procedures, and maximize operational efficiency.

United Clinical Laboratory has welcomed the opportunity to provide externship opportunities to Keiser's students due the unprecedented tutelage provided by Keiser University.

We are beyond satisfied with the caliber of individuals sent to us during their externship and the significance of Keiser's student-centered philosophy that remains the foundation of their mission.

Keiser's contribution to the community exceeds our company's expectations. They offer career-oriented education and training, provide an affordable, flexible opportunity for first-time students seeking a degree. Keiser is deeply rooted in local communities, providing resources for people and have a history of adapting to the everchanging changing circumstances and shifting priorities to meet their student's needs.

Utilizing Keiser University allows us to grow the leaders of tomorrow.
