To Whom It May Concern:

Weiss Pediatric Care is an NCQA Recognized Patient Centered Medical Home (PCMH) that has been providing the highest standard of care for our community's children since 2013. Attaining and maintaining national recognition requires an exemplary team committed to collaboration, continuous quality improvement, and compassionate evidence-based care.

Whenever we are looking to grow our team, we turn to Keiser University's Medical Assistant graduates. The graduates that we have had the pleasure to hire are like-minded, skillful, highly motivated, and professional. We have been especially impressed with their warmth and ready knowledge of many things Pediatrics.

We are deeply grateful to Keiser University for training outstanding Medical Assistants. We are proud to hire their graduates.

Sincerely,

Diane Weiss, M.S.
Practice Manager
Parenting, Child Development, & Pediatric Sleep Specialist
