

January 2021

Westminster Oaks has valued our partnership with Keiser University over the last decade! As a healthcare provider, we know the demand for qualified, dedicated nursing professional and have had great success with Clinical Students, Graduates and hiring with Keiser!

They focus on ensuring their students are ready for their field of study and can make an immediate impact wherever they join! We are excited to continue our partnership in the coming years! The COVID-19 pandemic has been challenging for us all, but knowing that we support each through crisis is a great source of relief!

Thank you again for all you do!
