

Dear Mr. Lechowski,

I wanted to let you know how much the South Florida Chick-fil-A market appreciates your support. Your willingness to provide a meeting room for our monthly meetings over the years is very much appreciated. Your professional staff, especially Matty Curbelo always go above our expectations to ensure that the meeting room is ready to include any media requirements are met.

Please accept my sincere appreciation for your continued support over the years.

Respectfully,

Jude Hodges
