To Whom It May Concern:

As founder and director of Occupational Therapy Recovery Center, Inc. I am pleased to write a letter in support of Keiser University Pembroke Pines OTA Graduates.

Occupational Therapy Recovery, Inc. was founded with the simple mission of becoming a leading multidisciplinary provider of therapy services for children with special needs in our community. With an established home health practice in South Florida, our organization continues to grow exponentially by simply keeping the promise of delivering high-quality care and satisfying service. I am proud to report that OTA Graduates have been essential to our organization's growth. OTA Graduates are highly skilled professionals that well prepared for today's dynamic healthcare environment. They lead with heart and passion while adhering to the highest standards of professional conduct.

Our organization is placing its name, reputation, and commitment to its community behind the Keiser University Pembroke Pines OTA Graduates. We look forward to continuing our partnership with your university.

If you have any questions, please do not hesitate to contact our office. Thank you for delivering excellence in OTA education.

Sincerely,

Audrey Moraly, COTA/L
Director of Occupational Therapy Recovery Center, Inc.
