To Whom It May Concern:

This is a thank you letter to the Keiser Family and Keiser University for being wonderful neighbors.

Dr. and Mrs. Keiser have been supportive of our church and Christian School (K2-High School). We would not have a football field if Dr. Keiser had not let us use a portion of their property. The football field not only is used for our football and soccer teams, but folks from all over the community schedule use it as well. We are happy to share our parking lots with Keiser students and faculty each semester and thankful for the use of their parking lot on Sundays.

Keiser uses our Smith Worship Center for their graduations and pinning's. Many of Orlando Christian Prep graduates attend Keiser University and some of their professors attend our church services.

Orlando Baptist Church could not ask for a better neighbor than Keiser University. Together we continually reach young people and invest in the ongoing success of our Central Florida community.

Thank you, Dr. and Mrs. Keiser and a special thanks to my friend, President Todd Harrison, for your continued support to Orlando Baptist Church and Orlando Christian Prep and our greater Orlando community.

Sincerely,

A handwritten signature in black ink that reads "Don Norman". The signature is fluid and cursive, with a large loop at the end.

Pastor Don Norman
