

To Whom It May Concern,

Keiser University has served communities on the Treasure Coast for over 43 years offering a variety of Undergraduate and Graduate Programs at an affordable price. Keiser University is important to the communities it serves, the professional and academic foundation that is laid prepares students for their educational goals and objective; furthermore, Keiser University's commitment to workforce readiness is essential to supporting jobs within its communities.

Established in 1999, Play Treasure Coast Sports Tourism, formerly the Treasure Coast Sports Commission, is recognized as the Sports Tourism Marketing Organization for the Treasure Coast Region and relies heavily on its community partners and relationships.

Working in collaboration with Keiser University, Play Treasure Coast is an externship opportunity for its student body to gain in-depth knowledge of the Sports Tourism Industry. Each extern provided by Keiser University has demonstrated professionalism and enhance organizational productivity. If the opportunity presented itself, Play Treasure Coast would gladly hire a Keiser University Graduate.

Warmest regards,

Rick Hatcher
President/CEO
Treasure Coast Sports Commission
