## Pg. 11, General Information: Strategic Directions and Goals

Under **Strategic Directions and Goals**, delete the current content and add:

The following strategic directions and goals are integral to the mission of Keiser University:

- I. Promote academic excellence by providing institutional resources, assistance, and oversight
  - A. To actively be involved with the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and such programmatic accreditation agencies as are desired and appropriate.
  - B. To assess the effectiveness of and consequentially enhance the educational and academic service programs of the university.
  - C. To provide academic support services in their program of study designed to enhance student learning and prepare graduates for successful occupational choices.
- II. Continue the implementation of appropriate fiscal and budgetary processes to support the mission
  - A. To ensure that the Board of Trustees continues to provide appropriate oversight of the financial and budgetary operations of the University.
  - B. To analyze the ongoing financial operations of the university to ensure fiscal responsibility.
  - C. To strategically manage finances in order to maintain a strong financial base of operations necessary for future expansion.
- III. Develop and support initiatives designed to enhance student success and retention
  - A. To provide comprehensive academic support to empower students' learning and success.
  - B. To foster a vibrant campus culture that engages students and promotes a sense of community.
  - C. To increase student retention by addressing financial, social, and academic challenges.
  - D. To strengthen faculty and staff engagement to support student success initiatives.
- IV. Prioritize the strategic management of university resources to increase operational efficiency in support of the mission
  - A. To enhance decision-making relevant to the allocation of university resources in order to achieve better outcomes for university operations.
  - B. To attract and retain well-qualified faculty and staff.
  - C. To review all degree programs to ensure currency, relevancy, and cost-effectiveness with respect to content, delivery, and outcomes.
- V. Develop and maintain high-demand educational programs that expand the domestic and international reach of the university's services
  - A. To pursue educational initiatives appropriate for a variety of domestic and global locations and cultural settings.
  - B. To increase the capacity of faculty to manage curriculum strategically.
- VI. Enhance the university's relationships with alumni, business partners, and the professions it serves
  - A. To cultivate the Keiser University alumni development program.
  - B. To create opportunities to partner with community organizations where mutual benefit can be realized through collaborative agreements and/or articulation agreements.
  - C. To enhance the community outreach initiatives of the various extended Keiser University locations to support their community service, public relations, and institutional advancement campaigns.
- VII. Adapt to the emerging technological landscape by integrating artificial intelligence and other advanced technological infrastructure

- A. To convene an Artificial Intelligence Advisory Committee to study AI capabilities and the risks and benefits posed to the institution.
- B. To capitalize on opportunities to integrate current technology into educational simulation experiences.
- C. To leverage advanced data analysis techniques to drive student success and retention efforts.
