## **Page 42, MS Organizational Leadership, Program-Specific Admission Requirements**

Replace the first two paragraphs with the following:

Candidates for admission to the Master of Science in organizational leadership program are required to hold a four-year baccalaureate degree (or equivalent) from an accredited institution. An undergraduate degree in organizational leadership is not a requirement; qualified students from all backgrounds are encouraged to submit applications. An admission decision is based on a combination of a student's undergraduate and/or graduate academic performance, professional experience, letters of recommendation and/or standardized test scores. All students are encouraged to submit Graduate Management Admissions Test (GMAT), Graduate Records Examination (GRE) or Miller Analogy Test (MAT) scores in support of their application.
