

Internship Rotation Scheduling

Example for Distance Learning Internship

Rotation:

5 weeks of Food Service Management/Dietetic Management totaling 160 hours

15 weeks of Community Nutrition totaling 520 hours

16 weeks of Clinical Nutrition totaling 640 hours

This is an example of how a distance learning internship can be designed. Rotation dates are based on preceptor availability. Clinical Nutrition, Community Nutrition and Food Service Management/Dietetic Management hours must be met to complete the KU Distance Learning Internship.
