

Professional Licensure or Certification

In order to comply with regulations regarding distance education, Keiser University is required to make the following disclosure to applicants and students completing their coursework outside of the state of Florida, including field experiences (e.g., internships, practicums, clinical placements), when their program of study customarily leads to professional licensure.

The National State Authorization Reciprocity Agreement (SARA) of which we are a member, has no effect on state professional licensure requirements. It is advised that applicants seek guidance from the appropriate licensing agency in your home state before beginning any academic program leading to licensure or certification. Please visit our website at <https://www.keiseruniversity.edu/heoa/professionallicensure> for information on this topic. If you are unable to locate the correct information about professional licensure, or have difficulty obtaining the information you need, please contact the academic advisor for your program.
